

BADMINTON ASIA

**BADMINTON ASIA 2020:
A STRATEGIC PLAN**

BADMINTON ASIA

Badminton Asia is the governing body of badminton in the continent in Asia. It is one of the five continental bodies under the flagship of Badminton World Federation (BWF). Badminton Asia is one of the oldest confederation, being founded in 1959. Currently, Badminton Asia is headquartered in Petaling Jaya, Malaysia, and having 43 Member Associations. These Member Associations can be divided into five regions, namely West Asia, Central Asia, South Asia, East Asia and South East Asia.

VISION

With the recent rebranding exercise, Badminton Asia is charting a new era and a more dynamic Confederation which recognises all members as of equal importance and every member has a role to play for Asia. Badminton Asia also adopted a new theme “Smash the World” which serves as a constant reminder that Badminton Asia shall strive to push badminton as the most popular sport in Asia and at the same time, to be the best in the sport. Hence, the vision for Badminton Asia is ***“to promote, develop and strengthen the sport of badminton in Asia”***.

KEY FOCUS

Badminton Asia 2020 need to be achieved by being more focused in the implementation and planning. In recognizing the BWF’s strategic plan, Badminton Asia 2020 shall be the extension and at the same time, complementary to BWF’s plan. Hence, Badminton Asia shall emphasis on five key areas; namely:

1. Development
2. Events
3. Marketing and Publicity
4. Management and Governance
5. Inclusiveness

OBJECTIVES

Whilst distinguishing with the objectives of BWF, Badminton Asia's goals would work on a broader framework and will work towards achieving the vision of Badminton Asia and ultimately fulfilling the overall BWF's objectives. The vision can be achieved by adhering to the following goals:

- To provide focused and objective support to Member Associations' development programmes and to maximize the potential of MAs.
- To promote and encourage all MAs to succeed at the pinnacle of world badminton in all aspects (e.g. players' performance, coaching standards, standards of technical expertise and facilities).
- To organise top level competitions in order to provide necessary platforms that raise the standard of competitions in Asia.
- To enhance the commercial value by producing and commercialising attractive products that can engage and excite our stakeholders
- To encourage MAs to practice good governance by supporting them to implement professional initiatives or programmes.
- To promote integrity by ensuring the all Badminton Asia's tournaments, matches and the conduct of its people conform to the highest ethical and sporting standards.
- To create and develop the Badminton Asia's Challenge Circuit and raising the profile of the circuit.
- To continuous create awareness and publicity for Badminton Asia through various efficient and effective communication tools.

--	--	---

CONCLUSION

Badminton Asia 2020 will be a tool for Badminton Asia to move forward towards greater heights by charting the journey strategically. Thus, Badminton Asia 2020 will serve as an organizational management activity that is used to set priorities, focus energy and resources, strengthen operations, ensure that Exco Members, Members Association, employees and other stakeholders are working toward common goals, establish agreement around intended outcomes/results, and assess and adjust the organization's direction in response to a changing environment. It is a disciplined effort that produces fundamental decisions and actions that shape and guide what an organization is, who it serves, what it does, and why it does it, with a focus on the future. Badminton Asia 2020 will also serve as an effective strategic planning that articulates not only the direction of Badminton Asia, but also the actions needed to make progress and the methods needed to be successful.
